### 1. Apologies

There were no apologies

### 2. Minutes of previous AGM

The minutes as recorded of the previous AGM were agreed.

### 3. Report from the Chair

A good selection of projects were carried out or continued throughout the year.

JW made a presentation at the Annual Parish Meeting detailing the work that TPEG had carried out during the year, this included -

- Continuing maintenance of the dipping pond and coppicing in that area.
- Footpath clearance, tree branches removal and strimming throughout the Parish to keep footpaths clear to. Maintain access to nature, and for peoples continuing mental health.
- Monthly litter picks throughout the Parish, with support from McDonalds, Twiggs and between 60-100 members of the public throughout the year. Well over 150 bags of litter were collected and removed along with large items of furniture and scrap.
- Assist Tankersley Hub with the clearance of trees and scrub in and around the car park, and clearing over grown paths and weeds around the whole Hub perimeter.
- Clearing and landscaping of the bus shelter on New Rd.
- Hedge cutting along the footpath on NewRd ,to make it safe & accessible for children to walk to school.
- On going maintenance of the garden project on Thorncliff Way which involved trees trimming, and the planting of bulbs.
- Developing projects with St Peters school, including litter picks and pathway maintenance.
- Recognition for TPEG in the form of a Certificate of Appreciation for community work from RMBC.
